Table notes

The line breaks denote the pattern of clustering among the schools. Some 275 points separate HEC Paris at the top, from the school ranked number 75. The top 9 business schools from HEC to Iese, form the top group. The second group is headed by EM Lyon, which would need to increase its score by 30 points in order to enter the top group. The third group is headed by the University of Cambridge: Judge.

Footnotes

1. Data are provided for information only and do not form part of the 2010 ranking.
2. Figure in brackets refers to data from second programme for schools with more than one programme ranked.
3. The Cems programme was ranked number two in the Masters in Management 2010 rankings, but it has not been included in the European Business Schools 2010 ranking as it is a programme and not a school.
4. School was not included in the published 2010 ranking for this survey.
5. School participated with more than one programme in this ranking. Underlying score based on combined scores.
6. School participated in this ranking on the basis of a joint programme only. Underlying score based on proportion of total score.
