Table notes

† The Cems programme was ranked seventh in the Masters in Management 2013 rankings, but it has not been included in the European Business Schools 2013 ranking as it is a programme and not a school. □ □

‡ Data are provided for information only. Most recently published data are given.

□□# Figure in brackets refers to data from second programme for schools with more than one programme ranked.

□□*School was not included in the published 2013 ranking for this survey

. □□**School participated in this ranking on the basis of a joint programme only. Underlying score based on proportion of total scor

n. □□***School participated with more than one programme in this ranking. Underlying score based on combined score

s. □□The line breaks denote the pattern of clustering among the schools. Around 180 points separate HEC Paris and IE Business School at the top, from the school ranked number 75th. The top 11 business schools, from HEC and IE to ESCP Europe, form the top group. The second group is headed by the University of Oxford: Said, about 85 points above the University of Bath School of Management at the bottom of this group. The third group is headed by Durham University Business School.
