Table notes

†The Cems programme was ranked number five in the Masters in Management 2014 rankings, but it has not been included in the European Business Schools 2014 ranking as it is a programme and not a school. ‡ Data are provided for information only. Most recently published data are given. # Figure in brackets refers to data from second programme for schools with more than one programme ranked. *School was not included in the published 2014 ranking for this survey. **School participated in this ranking on the basis of a joint programme only. Underlying score based on proportion of total score. ***School participated with more than one programme in this ranking. □

□□□Underlying score based on combined scores. The line breaks denote the pattern of clustering among the schools. Around 195 points separate London Business School at the top from the school ranked number 80. The top p 11 business schools from LBS and IE to Rotterdam School of Management, form the top group. The second group is headed by ESCP Europe, about 85 points above Leeds University Business School at the bottom of the group. The third group is headed by Léseg School of Management.
