Table notes

Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 295 points separate the top school from the school ranked number 65. The top 11 schools, from Iese Business School to University of Oxford: Saïd, form the elite group of providers of open enrolment programmes. The second group runs from MIT: Sloan to Aalto University Executive Education, ranked 46. Some 105 points separate these two schools. The third group is headed by UQ Business School.
