Table notes

Although the headline ranking figures show the relative positions of each institution, the pattern of clustering among the schools is equally significant. Some 180 points separate the top programmes, HEC Paris, from the schools ranked joint 49. The top 10 participants, from HEC Paris to University St Gallen, form the top group of pre-experience Masters in Finance providers. The second group, headed by Imperial College Business School, spans schools ranked from 11 to 42, a range of some 85 points in total. Differences between schools are small within this group. The remaining 8 schools headed by University of Exeter Business School make up the third group.
