**Table notes**

Although the headline ranking figures show the relative position of each institution, the pattern of clustering among the schools is equally significant. Some 195 points separate the top programmes, HEC Paris, from the school ranked number 55. The top 10 participants, from HEC Paris to Skema Business School, form the top group of pre-experience Masters in Finance providers. The second group is headed by Saïd Business School and spans schools ranked from 11 to 26, a range of some 45 points in total. The third group is headed by Brandeis University International Business School and include schools ranked from 27 and 45. The remaining 9 schools headed by Nottingham University Business School make up the fourth group.
